SIGHTSEEING CITY TOUR

You will discover the beauty and magic of Buenos Aires.

Starting from Colón Theatre we can see the symbolic Obelisco.

Then you will visit PLAZA DE MAYO (Square): historical, political and foundational epicenter. Metropolitan Cathedral, Government House, the Cabildo and the Municipality. This journey continues southwards, walking along old-stoned streets of SAN TELMO: "Tango" neighborhood. Following the same direction we arrive to La Boca neighborhood. There we find Boca Juniors Football Stadium, which is the maximum example of Argentina's Passion: Football.

We will visit CAMINITO: the most tourist place of the area. Bordering the Riachuelo, our tour continues northwards, visiting the old port we can notice how the physiognomy of the city changes.

PUERTO MADERO: panoramic view. In Retiro / San Martín Square, we connect with Libertador Ave. and we enter the north of Buenos Aires City.

We will visit Palermo, which is a residential neighborhood with parks and elegant buildings. San Martiniano Institute, embassies, museums and significant monuments. Lastly we arrive to the region known as Bosques (Woods): El Rosedal, Carta Magna and "Cuatro Regiones de Argentina" Monument and the Zoo.

DELTA + TIGRE AND

Our trip goes to the north part of the city. As we pass through the gardens and the beautiful buildings, we can see a sensational panoramic view of la Plata River, the widest river in the world. We will see Jorge Newbery Airport, River Plate World Stadium and Buenos Aires University.

We will take Panamericana Freeway to make a route of 30 km until we arrive to Tigre City: the cradle of rowing. We will take the modern Panoramic Catamaran and we will enjoy the Paraná Delta.

In a quiet, stable and safe route we will go into the islands and islets labyrinth full of rivers and streams. We will learn about the life in the island, recreation and aquatic sports. When we arrive we will take our bus back in order to connect the most elegant residential areas facing the River. We will descend in the Main Station: San Isidro, to enjoy the interesting places this area offers. There, we will enjoy the old part and the Cathedral. Back to Buenos Aires by bus we will see the Presidential residency placed in Olivos.

BUS + TIGRE + DELTA in a Catamaran>> the ideal combination to enjoy the north part of Buenos Aires!!

GAUCHO PARTY

Our trip steers outside the city. As we are going, the landscape starts changing.

The plain and plateau gain an important place. We are in the PAMPEAN region.

During the trip, our tourist guides will give you the most important details about the Gaucho life until we arrive to the Ranch.

The gauchos will receive us with a warm and polite welcome to their RANCH. Following the arrival they will give us empanadas (a typical Argentine meal) juices and local wines.

You can ride horses and enjoy a ride in a colonial carriage. At midday we will have a delicious lunch based on "RANCH TRADITIONAL BARBECUE" with a wide variety of salads.

The lunch includes sodas, water, beer and wine for free. During the meal, a folkloric show with the most attractive dances of the region will take place. During the afternoon, you will see spectacular demonstrations: ring races and troop rides. To conclude this trip they will invite us with a typical afternoon meal based on pies and mate.

AN UNFORGETTABLE DAY TO ENJOY THE GAUCHO LIFE!!
